## A WOODLAND RETREAT

**We invite you to enjoy the serene experience of Willow Springs ...**

Willow Springs Woodland Retreat is tucked away in a private secluded valley surrounded by the beautiful Black Hills National Forest. A quiet place where the birds sing and the pines whisper, offering a gentle rest for our guests.

We have two cabins in the Black Hills to choose from. Each cabin has a queen bed, private bath, private outdoor hot tub, color TV and DVD player, electric heat, air conditioning, microwave and refrigerator. We offer all the amenities to ensure a pleasant stay.

*The Willows Cabin, a one-room log cabin, furnished with family heirlooms, offers our guests the restfulness of times gone by. Open year round.*

**Beginning Oct 1, 2016 we will no longer be serving breakfast**

Spend your days relaxing on the front porch enjoying the breathtaking views, hiking in the woods or splashing in a mountain stream. The end of your days will be relaxed away in your own private hot tub, admiring the countless stars and reminiscing your special stay at *Willow Springs Cabins*.

*A short walk up the hill brings you to the charming Frontier Cabin. This cabin sits atop a rocky knoll with an unforgettable view from the covered front porch.*
